

2024 Tuition Reduction Work Study Assignment Scholarship

Latinas On The Plaza is a 501-C-3 non-profit organization that seeks to provide a journey towards leadership mastery for women of color, with a heavy emphasis on developing Latina women. We realize that for young women starting their career the cost of the program may not be affordable so we encourage you to speak to your employer to pay for the program or at least pay a portion of it since it is professional development. We are also encouraging you to ask your family and friends to help you pay for the program, this can be in lieu of birthday and Christmas presents.

We will examine your application to determine if you qualify for a reduction in the tuition. If the reduction is 50% or more we will ask you to donate your time to Latinas On The Plaza over the next year, with a minimum of 4 hours of work. We are always in need of marketing skills, social media skills, graphic design skills, event planning, grant writing, and general administration work, or take an active role in the Alumni Group.
